This essay has been sponsored by Progetto Prin 2012 prot. 2012LATR9N, titled *To design innovative programs for higher education, to promote a personalized learning, to build on job competencies, to value talents to create new work-opportunities. Positive strategies in Higher Education to support young adults during their employment emergency, as a response to socio-economic crisis and as a citizenship action.*

All the chapters included in this volume have been subjected to peer review process.

Cooperativa ITC, Interpreti e Traduttori in Cooperativa (Rome, Italy) oversaw the proofreading of the volume and the english version of Bruno Rossi's, Vanna Boffo's and Paolo Federighi's essays.

Peer Review Process

All publications are submitted to an external refereeing process under the responsibility of the FUP Editorial Board and the Scientific Committees of the individual series. The works published in the FUP catalogue are evaluated and approved by the Editorial Board of the publishing house. For a more detailed description of the refereeing process we refer to the official documents published on the website and in the online catalogue of the FUP (www.fupress.com).
